RALLY FOR RESILIENCE OPENING NIGHT CHARITY EVENT FOR THE ADELAIDE INTERNATIONAL

On the eve of the Adelaide International, an opening night charity event featuring a tennis legend and celebrity doubles duel will take place. The session will feature a mix of the old and new, combining the thrill of our new competition with the fun of some old-time favourites.

The night will encapsulate tennis, live entertainment and everything in between. Funds raised on the evening will go towards directly supporting the Australian Tennis Foundation and Roger Rasheed Sports Foundation. Both foundations aim to support South Australia's most disadvantaged communities.

Funds raised on the night will be directed to instilling the relevant skills in kids who would otherwise not have the access to these programs, along with organised sport programs to build respect and trust within these communities.

Funds for the Roger Rasheed Sports Foundation will be raised on the night through public and corporate ticket sales, a massive silent auction and public donations.

Syndicated tickets are offered on an individual basis and include corporate access to the corporate rooftop under the canopy. With elevated views your ticket will include food and beverage, special guests and great tennis for a good cause.
