Adelaide International I 1 – 8 January & 9 – 14 January 2023

About

The Adelaide International is back for 2023, with not one, but TWO tournaments. That's right, double the players, double the action, double the finals fever as some of the world's best players battle it out under the roof at The Drive.

The first event will be hosted from 1 to 8 January and will feature a WTA 500 and ATP 250 combined tournament, followed by the second Adelaide International event, a WTA 500 and ATP 250 tournament from 9 to 14 January.

Why is there a queue on the Ticketmaster Website?

It's to ensure the fairest possible purchase experience for all fans and to keep out the bots for added ticket security. Previously, everyone entered the shopping experience at once. Since automated bots are faster than a real, human fan, they can scoop up tickets before fans are able to shop and checkout. This results in tickets being sold out in a matter of

minutes. With Smart Queue, we manage the flow of traffic into the shopping experience while simultaneously detecting bots and reducing their access. This gives you a fairer chance since you're only competing against other real, human fans for the same seats. For more information on how the Ticketmaster Queue works visit:
